INLINE FLAME ARRESTER

Flanged Vortex Flow Meter offers world-class reliability with a gasket-free, non-clog meter body that eliminates potential leak points, resulting in maximum process availability and fewer unscheduled shutdowns. The 8800 Flanged Vortex is ideal for all applications from general purpose to the most demanding application. The unique design of the 8800 features isolated sensors that eliminate the need to break process seals for flow and temperature sensor replacement.
